I gave up fighting  
I've come to see these halos  
Am I now worse off  
for this one night?  
All come enchanted,  
welcomed by the halos  
All the while we know  
those enamored never miss us

because we are all now in dying days,  
hear nothing and see no one.  
all now in dying days,  
Nothing is all we own.

I've taken to speaking  
words that only they know.  
How soon I did see,  
all here is unseen.  
I gave up trying.  
I've come to be these halos  
welcome to our show  
those enamored who won't miss us

because we are all now in dying days,  
hear nothing and see no one.  
all now in dying days,  
Nothing is all we own.  
all now in dying days,  
hear nothing and see no one.  
all now in dying days,  
no one is who we know.

With only echoes proving that I'm here  
with all the wraiths, for all these years  
and I have no desire  
to leave.

With only echoes proving that I'm here  
with all the wraiths, for all these years  
and I have no desire  
to leave.

because we are all now in dying days,

hear nothing and see no one.  
all now in dying days,  
Nothing is all we own.  
all now in dying days,  
hear nothing and see no one.  
all now in dying days,  
no one is who we know  
all now in dying days,  
hear nothing and see no one.  
all now in dying days,  
Nothing is all we own.  
all now in dying days,  
hear nothing and answer no one.  
all now in dying days,  
no one is who we know.
