[Spoken Intro]: "Last night...last night, Mom fainted. I sat there watching, I sat there waiting, and cringing. And I cried, I cried at the sound, the Sound of whispering white Angels. Oh, where only I seem innocent."

Heartbreak, incarnate, i'm nothing if not your memories.  
Your heartbreak please let me be, enjoying your pain.  
Some day, I will be, i'll be the common voice for community.  
Because I may well forever be, the loneliness you feel.

Please let me haunt as scent on your pillow,  
Letters of past, so distant and wrinkled.  
Please let me haunt as scent on your pillow,  
Letters of past, so distant and wrinkled.

Just say,  
Say you will, follow me.  
(follow me)  
Invite me to your memory.  
Just sing,  
Sing again, for me.  
(for me)  
That long forgotten song.

Heartbreak, incarnate, i'm nothing if not your memories.  
Your heartbreak, please let me be, enjoying your pain.  
Someday I will be, i'll be that what you want from a failing dream.  
Because I may, I may at best, feel as low as you feel.

Please let me haunt as scent on your pillow,  
Letters of past, so distant and wrinkled.  
Please let me haunt as scent on your pillow,  
Letters of past, so distant and wrinkled.

Just say,  
Say you will, follow me.

(follow me)  
Invite me to your memory.  
Just sing,  
Sing again, for me.  
(for me)  
That long forgotten song.

Just say,  
Say you will, follow me.  
(follow me)  
Invite me to your memory.  
Just sing,  
Sing again, for me.  
(for me)  
That long forgotten song.

Let me be all the words, let me be all the words,  
Let me be all the words, let me be all the words.

Let me be all the words, echo in comfort.  
Let me feel the words, that you'd unsay.  
Let me be all the words, echo in comfort.  
Comfort, comfort, comfort.  
Let me feel the words, that you'd unsay.  
Unsay, unsay, unsay.

Let me be all the words, echo in comfort.  
Let me feel the words, that you'd unsay.  
Let me be all the words, echo in comfort.  
Comfort, comfort.  
Let me feel the words, that you'd unsay.  
Unsay, unsay, unsay.
