Heartbreak, incarnate,
I'm nothing if not your memories.
Heartbreak please let me be,
Enjoying your pain.

Someday, I will be
I'll be the common voice for community
Because I am a man who'll forever be
Below you as you fail.

Please let me haunt as scent on your pillow
Letters of past look distant and wrinkled
Please let me haunt as scent on your pillow
Letters of past so distant and wrinkled

Just say (Say you will) follow me (follow me)
Invite me to your memory
Just sing (Sing again) for me (for me)
That long forgotten song.

Heartbreak, incarnate,
I'm nothing if not your memories.
Heartbreak please let me be
Enjoying your pain.

Someday, I will be
I'll be that what you want from a failing dream
Because I may, I may at best,
Be as low as you feel.

Please let me haunt as scent on your pillow
Letters of past look distant and wrinkled
Please let me haunt as scent on your pillow
Letters of past so distant and wrinkled

Just say (Say you will) follow me (follow me)
Invite me to your memory
Just sing (Sing again) for me (for me)
That long forgotten song.

Just say (Say you will) follow me (follow me)
Invite me to your memory

Just sing (Sing again) for me (for me)
That long forgotten song.

Let me be all the words
Let me be all the words
Let me be all the words
Let me be all the words

Let me be all the words, echo in comfort
Let me be all the words that you'd unsay
Let me be all the words, echo in comfort, comfort,
comfort, comfort
Let me be all the words that you'd unsay, unsay, unsay,
unsay... Oh!

Let me be all the words, echo in comfort
Let me be all the words that you'd unsay
Let me be all the words echo in comfort, comfort,
...comfort
Let me be all the words that you'd unsay, unsay, unsay,
unsay...
