Chickens good for the body, chickens good for the mind, chickens good for the funny bones, chickens easy on the eye.

Yum, yum, chicken bones. Bock, bock Chicken. Yum, yum chicken bones, tell all your friends. Yum, Yum, chicken bones, Bock bock Chicken. Yum, yum chicken bones, tell all your friends.

Granola bar, nice and chewy. Granola bar, my best friend. Granola bar how I love you, Granola bars don't beat the kids!

Yum, yum, granola bar. Chew, chew chewy. Yum, yum granola bar, tell all your friends. Yum, yum, granola bar. Chew, chew chewy. Yum, yum granola bar, tell all your friends.

Chicken and granola bars make a nice meal. Especially when you're all alone. It's something to eat when your wife's in the shelter, because she ran into the door.
One, Two, Three, Four.

Yum, yum, Granola bone. Bock, bock, chewy. Yum, yum, granola bone, tell all you friends. Yum, yum, Granola bone. Bock, bock, chewy. Yum, yum, granola bone, tell all you friends.

Yum, yum, yummy. Bock, bock, bocky. Slap, slap, slappy. Tell all your friends. Yum, yum, yummy. Bock, bock, bocky. Slap, slap, slappy. Tell all your friends.
