Along the path where the stream is talking  
I breathe the mist and continue walking  
The wood it whispers in a language of it's own  
As a sigh escapes my lips  
I feel like light caress of fingertips  
That steal away my breath  
And leaves me on my own  
Waiting by the stairs  
Waiting, I despair  
Waiting by the stairs  
Waiting by the stairs  
Whoa  
My whole life is a dark room  
One, big, dark room.  
Do I hear the hollow sound  
Footsteps resounding on this frozen ground  
Or the familiar disappointment of the echos of my own  
Waiting by the stairs  
Waiting, I despair  
Waiting by the stairs  
Waiting by the stairs  
Waiting by the stairs  
Waiting, I despair  
Waiting by the stairs  
Waiting by the stairs  
Some how I ended up here and in between  
Where there is the comfort of knowing I'll never be  
seen  
When I fall  
When I fall  
I'll wait for just one touch  
Then I fall  
Weightless  
Endless  
Faithless I'll adore you  
A single touch before I fade  
Painless let me pass through  
Weightless  
Endless  
Faithless I'll adore you  
A single touch before I fade

Painless let me pass through
