Don't waste your touch, you won't feel anything
Or were you sent to save me?
I've thought too much, you won't find anything...
Worthy of redeeming

Yo he estado aqui muchas veces antes y regreso

To... break down, and cease all feeling
Burn now, what once was breathing
Reach out, and you may take my heart away

Imperfect cry, and scream in ecstasy
So what befalls the flawless?
Look what I've built, it shines so beautifully
Now watch as it destroys me

Y regreso aqui otra vez y comienzo

To... break down, and cease all feeling
Burn now, what once was breathing
Reach out, and you may take my heart away

Break down, and cease all feeling

Burn now, what once was breathing
Reach out, and you may take my heart away

I left it all behind, and never said goodbye
I left it all behind, and never said goodbye
I left it all behind, and never said goodbye
I left it all to die

I saw its birth, I watched it grow
I felt it change me
I took the life, I ate it slow
Now it consumes me

I... break down, and cease all feeling
Burn now, what once was breathing
Reach out, and you may take my heart away

Break down, and cease all feeling

Burn now, what once was breathing
Reach out, and you may take my heart away
... Heart away
