Swings of sadness
Tears of joy.
Curse the sunlight.
Arsenic for all the girls and boys.
Drink the madness
Smoke so coy.
Smile injection.
Serum of a will destroyed.
Serum of a will
Serum of a will destroyed

The seasons change, change without me.
I remain in shadows growing wings.
The spirit song still surrounds me, in refrain,
In shadows growing wings.

Swings of sadness
Tears of joy.
Curse the sunlight.
Arsenic for all the girls and boys.
Drink the madness
Smoke so coy.
Smile injection.
Serum of a will destroyed.
Serum of a will
Serum of a will destroyed

The seasons change, change without me.
I remain in shadows growing wings.
The spirit song still surrounds me, in refrain,
In shadows growing wings.

Like an angel with two broken wings
Reach the sky again.
Like a devil,
Meant for better things,
I will find my place on high.

The seasons change, change without me.
I remain in shadows growing wings.
The spirit song still surrounds me, in refrain,
In shadows growing wings.
