Hope unknown
Sometimes just waking is surreal
I pass right through the nameless ones
I know that hope's unknown
Sometimes the water feels so real
As I walk through it fills my
Lungs my God I'm drowning
This day never seems to end
This pain never
This rage I cannot let go
I hear them calling
I feel them gnawing out
Holes through flawless souls
I hear them calling
Feel them gnawing out
Holes through all the flawless soul
So alone
Sometimes I swear that I can hear
The taunting of the voiceless ones
I fear that I alone
Fear those who finally ceased to feel
That they're alone inside this
Place I am the misplaced
This day never seems to end
This pain never
This rage I cannot let go
I hear them calling...
Now every face,
It looks familiar
Then every face would melt away till now everyone
Do you know?
I know your deception
GO! EVERY FACE LOOKS FAMILIAR
THEN EVERY FACE WOULD MELT AWAY TILL NOW
EVERYONE
DO YOU KNOW?
I KNOW YOUR DECEPTION
I hear them GO!
I hear them calling...
