we walk the streets, i'm out to get you we bite just a
feast of gore and blood we bite carnivores live for
pleasure we bite strike out like a wolf's endeavor we
bite and when i get your blood i rip your throat your
blood i rip your throat i want your blood, i rip your
throat to drink some blood we bite, we bite, we bite, we
bite and when i get your blood i rip your throat your
blood i rip your throat i want your blood, i rip your
throat to drink some blood we bite, we bite and when i
get your blood i rip your throat your blood i rip your
throat i want your blood, i rip your throat to drink some
blood we bite, we bite, we bite, we bite
