You keep on sayin' that you want to know me
but you never show me your true self.
How can you ever expect someone else to know you
when all you're going to do is just pretend that you're
someone else?
You keep on sayin' that you want to show me
that you're really different, but your just the same.
If you're really mindless then there is no way
that I can win, maybe you're just one of them, or maybe
it's just a game.
You lie to yourself. You lie to yourself. You lie to
yourself and remain alone.
You lie to yourself. You lie to yourself. You lie to
yourself and remain alone.
Remain alone. Remain alone. I'm not exactly sure of
your motivation.
I'm not exactly sure what you're tryin' to do.
All I'm really sure is that you're not too

impressive and you're wearin' a mask that I can't see
through.
Maybe you're not looking for acceptance.
Maybe you're striving for something more.
If it's status that you lust then why try to be one of us?
You're someone we'll never trust cause we know the
score.
You lie to yourself. You lie to yourself. You lie to
yourself and remain alone.
You lie to yourself. You lie to yourself. You lie to
yourself and remain alone.
Remain alone. You remain alone. Oh!
I can't see through. I can't see you. I can't see through. I
can't see you.
