After all what I saw,  
Doing the sun on shore  
Go raven, go raven, go  
Fly like the wind it blow

Know then the precious dry  
Bird don't be so shy  
Wind starling, wine starling, wine  
Wanna take to the sky

Mean you're not afraid, now  
Oho, oho, oho, oho, oho, oho  
Oho, oho, oho, oho, oho, oho  
And after all this rain  
Surely the summer stay  
Say more don't say more, don't say  
How come you're good so great

From the stormy seas,  
Look on the calming breeze  
Please sparrow, please sparrow, please  
Sing from the maple trees  
Oho, oho, oho, oho, oho, oho

Mean you're not afraid, now  
Oho, oho, oho, oho, oho, oho  
Oho, oho, oho, oho, oho, oho.
