Do Me Right (Heavy D) Ayo Teddy you ready (Teddy)
Yep Yep Ayo nasty man your ready (Aaron) Oohhh
yeaha What about you crazy legs? (Damion) You know
I'm steppin Well yo let put this together and let all the
girls know how we wanna be done (Heavy D) Now would
you mind if I laid you down and licked you lovely Made
your body sticky with some bumble bee honey And
tickled your fancy with my finger or a feather? Worry
not, my lover The Heavster is clever Now I'd like to hold
you and squeeze you tight But don't turn into an
acrobat and flip over night 'Cause we can go on if the
lovin is strong But I'd really hate to have to write a do
me wrong song Do Me Right (Repeat 4X) (Aaron Hall) I
dream of you all the time when I wake up there's a
smile on my face and when we get together Girl I just
don't know what to say why is it hello kiss goodbye
really making me feel low can you tell me what is on
your mind I just got to know What is goin on? can you
tell me where do we go from here? Wanna bring you
close bring you in my heart I wanna know that you're
my girl but girl you gotta treat me right (Chorus #1

right? (Chorus #1 Aaron) Do me right, I wanna be your
man Bring you close to me Why don't you do me, do
me right? Girl ya know, girl ya know, I wanna be your
man (Aaron Hall) Such a sticky situation But I think that
we should take that chance So many plans we've got
ahead Let's forget about the past We can get to
making love and romance Girl you're something else I
wanna get with you, believe me girl I wanna hold you
close Keep you in my heart I gotta know that you're my
girl Girl, you gotta treat me right (Repeat Chorus #1
Background Vocals 2x) (Chorus #2 Aaron) Oh yeah
yeah Be my girl, oh-oh Why don't you do me, do me
right? Girl ya know, girl ya know.. (Random Girl :Who's
on the phone) (Heavy D) Well it's caller number one
What's the matter? Don't you recognize my voice,
honey bun? Oh, I understand You were half sleep Now
wait a minute- Who's beeper just beeped? I know it ain't
mine Mine's is on my hip Now tell me you didn't flip On

the honey dipped ya pocket trip It's time to get ya heart
broke Honey, I smell smoke You thought he was dope
so you took a toke? So here's the news, I'm ghost I'm
outta here, long gone The lover went left So honey you
stay strong; And when you wake up in the middle of the
night I'll be with her 'cause she She'll do me right! Do
me right (Bridge Background Vocals) Do me right Be
my girl (Repeat Chorus #1 Background Vocals 2x)
(Chorus #3 Aaron) Do me right! Ho-oh, yeah baby
Promise I will do the right things for you Please baby,
be my girl I don't want nobody else Oh I've got to have
your love right now Oh do me right Do me right now
