Why am i this way?  
Tell me why?  
Why am i this way?  
WHY???

Open wounds in the palms of my hands  
Festering through infectious time  
I feel so faint as my life spills over you

Backstep over glass as I repent  
I fear I cannot prevent myself  
From spilling your life all over me

{I'm so sick, so sick of myself  
(1)Mother, say you'll pray for me  
(2)I'm premature in my decay  
(3)Mother, say you'll pray for me} (x3)

Shards of glass swimming in my eyes  
A small voice in the back of my mind that's whispering  
words  
I never want to hear

I pray that you won't hesitate  
As you watch me degenerate  
To reach in my wounds and extract all of my fear

{I'm so sick, so sick of myself  
(1)Mother, say you'll pray for me  
(2)I'm premature in my decay  
(3)Mother, say you'll pray for me} (x3)

{My suffocation, asphyxiation  
I've been choking on my own blood} (x2)

I'm so sick, so sick of myself  
Mother, say you'll pray for me
