Let's tap your heart so we can paint the walls
And see if anybody likes the tone
[or the pain.]
The hungry eyes waiting for your life flash, now they're
gonna see it.
[Now they're gonna see it!]
Open your veins so we can make a pool and bathe
And see if anyone complains
[of the stain.]
Let's strip you down so we can see your old scars.
Now you're gonna feel it.
[Now you're gonna feel it]

Show me how to shine now.

Have you turned? turned to dust?
I saw an insect learn to fly;
Have you ever seen the kingdom of the flies?
[*It's form was scorned*]
Have you lost the sense of touch?
I saw it stay in sovereignty.
Have you ever turned to dust?

Let's lift you up so we can see how fast
You fall. We always thought that you could fly;
[now you'll crawl.]
The lack of loyalty you thought you once felt, now
you're
Gonna feel it.
[Now you're gonna feel it.]
Show me how to shine now.

Have you turned? turned to dust?
I saw an insect learn to fly;
Have you ever seen the kingdom of the flies?
[*It's form was scorned*]
Have you lost the sense of touch?
I saw it stay in sovereignty.
Have you ever turned to dust?

Now show me,
Now show me,

Now show me How to shine.

Now show me, [Oh!]

Now show me, [Oh!]

Now show me, [Oh!] How to shine!

Now show me, [Oh!]

Now show me, [Oh!]

Now show me, [Oh!] How To Shine!

Have you turned? turned to dust?

I saw an insect learn to fly;

Have you ever seen the kingdom of the flies?

[*It's form was scorned*]

Have you lost the sense of touch?

I saw it stay in sovereignty.

Have you ever turned to dust?
