Welcome the whole new pain  
And take comfort in  
What you've become.  
I waved as I  
Passed myself along the way.  
I have arrived  
So unashamed  
But my reflection no longer seems the same.  
It seems much dimmer now...  
It seems so dim.

Just stumble and fall  
Into a world that's over crowded.  
And you will find me.  
Won't recognize me;  
And I won't recognize myself.

I've arrived  
So unashamed,  
But all my senses no longer seem the same.  
I can sense everything.  
My sight's so clear.

Just stumble and fall  
Into a world that's over crowded.  
And you will find me.  
Won't recognize me;  
And I won't recognize myself.

In an instant,  
My life just slipped away,  
I fought for life,  
The whole time you were  
Holding me down.  
You watched me dying.  
Holding me down,  
You brought my rebirth.  
Holding me down,  
You watched me dying.  
Holding me down,  
You brought my rebirth.

Just stumble and fall  
Into a world that's over crowded.  
And you will find me.  
Won't recognize me;  
And I won't recognize myself.
