I'll lay me down tonight,  
Much further down.  
Swim in the calm tonight.  
This art does drown.

(What follows)me as the whitest lace of light,  
(will swallow whole)just begs to be imbrued?  
(What follows)has led me to this place where I belong  
with all erased?  
What follows?

All insects sing tonight, the coldest sound.  
I'd send Gods grace tonight,  
Could it be found?

(What follows)  
Me as the whitest lace of light  
(Will swallow whole)  
Just begs to be imbrued?  
(What follows)has led me to this place, where I belong  
with all erased?

I'll lay me down tonight,  
Much further down.  
Watch stars go out tonight.  
On sinking ground.

I'll lay me down.  
I'll lay me down.

(What follows)me as the whitest lace of light  
(Will swallow whole)  
Just begs to be imbrued?  
What follows,(Whooooaa) has led me to this place where  
I belong with all erased?

What follows  
Will swallow whole  
What Follows  
Will swallow whole
