Bonfires burning bright,
Pumpkin faces in the night,
Oh, I remember Halloween.
Dead Cats hanging from poles'
Little Dead are out in droves'
I remember Halloween.
Brown Leafed Vertigo
Where skeletal life is known,
I remember Halloween,
This day anything goes,
Burning bodies hanging from poles,
I remember Halloween,

Halloweeeeeen [x 3]
Halloween

Candy apples and Razorblades,
Little dead are soon in graves,
I remember Halloween,
This day anything goes,
Burning bodies hanging from poles,
I remember Halloweeeeeen [x 3]
Halloween
Halloweeeeeen [x 3]
Halloween
Halloweeeeeen [x 3]
Halloween
