I saw a star beneath the stairs
Glowing through the melting walls
Who will be the first to begin their fall?
Or will we become one?

Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything?

I saw a star beneath the stairs
Glowing bright before descent
And in the morning there is nothing left but what's
inside of me.

Am I the star beneath the stairs?
Am I the ghost upon the stage, am I your anything?
Am I the star beneath the stairs?
Am I the ghost upon the stage, am I your anything?

And I don't want to die tonight,
And I don't want to fall into the light
Will you wish upon?
Will you walk upon me?
I don't wanna die tonight

Will you believe in me tonight?
Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything?
Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything?
