"Single Second"

Visit "[Single Second](#)" on MotoLyrics.com

Oh my God!
My God this can't be happening!
God tell me,
Tell me this isn't real!
I can't believe all that I have foreseen is finally
happening.
I cannot for a single second stand the way I feel.
I always knew.
I always saw it coming.
Enveloped now,
Encased by my worst fear.
I've never felt the nausea of longing to feel nothing,
I never wanted to cease to exist, just disappear.
Fear memories are all that lie ahead. (Memories dull
my senses.)
Never have I felt so lost.
Fear tragedy is all that lies ahead. (Memories dull my
senses.)
Never have I felt so dead.
Once felt so warm,
Now I'm fucking freezing.
I am the once embraced abandoned one.
I raised my eyes up to the light in hopes of finding
healing;
No relief was mine,
I was burnt, by the sun.
Fear memories are all that lie ahead. (Memories dull
my senses.)
Never have I felt so lost.
Fear tragedy is all that lies ahead. (Memories dull my
senses.)
Never have I felt so dead.
I Feel So
I Feel So Lost
I Feel So Lost
I Feel So Lost
Fear memories are all that lie ahead. (Memories dull
my senses.)
Never have I felt so lost.
Fear tragedy is all that lies ahead. (Memories dull my
senses.)
Never have I felt so dead.

Fear memories are all that lie ahead. (Memories dull
my senses.)
Never have I felt so lost.
Fear tragedy is all that lies ahead. (Memories dull my
senses.)
Never have I felt so.
