Can you feel the pulse?
Can you feel the heat rising from below?
Can you feel the energy? It's gaining strength, oh so slowly
But I'll wait...I'll wait...till the seasons change.
Why wait?...Why wait?... till the fall comes.
(Hey! Hey! Hey! Hey!)
Ohhh. And I'll say..
I'll give you nothing but a mirthless laugh.
Ohhh.
Can you see the signs?
Can you sense the changing of the winds?
Can you sense the stillness in the air?
Calm will remain...oh so shortly.
But I'll wait... I'll wait... till the seasons change.
Why wait?...Why wait?... till the fall comes.
(Hey! Hey! Hey! Hey!)
Ohhh. And I'll say..
I'll give you nothing but a mirthless laugh.
Ohhh. And I'll say..
Gonna take you by... Gonna take you by...
Gonna take you by surprise as it rises.
Gonna take you by... Gonna take you by...
Gonna take you by surprise as it rises.
Ohhh.. (Hey! Hey! Hey! Hey)
Ohhh. And I'll say..
I'll give you nothing but a mirthless laugh.
Ohhh. And I'll say..
Whoa! Whoa!
Gonna take you by surprise
Whoa! Whoa! Ohhhhh.....
