Here is your lesson for today,
Ya better listen up real fucking good!
My cloud always has a silver lining,
And I love everything that I see.
My world is wonderful and no one could ever hurt me.
You hate yourself, yes you do,
And that's why right now I hate you.
You hate yourself, yes you do,
And that's why right now I can't stand you.
Have you learned your lifes lesson yet?
No? Well let me tell you something.
I am your teacher you have a lot to learn from me
You must love yourself.
You are my teacher you teach me about my life.
There's a lot I can learn from you.
And that's why right now I love you... So fuck you!
