Hope unknown. Sometimes just waking is surreal.  
I walk right through the nameless ones.  
I know that hope's unknown.  
Sometimes the water feels so real.  
As I walk through it fills my lungs, my god, I'm  
drowning.

This day never seems to end.  
This pain, never.  
This day never seems to end.  
This rage I can not let go.

I hear them calling.  
I feel them gnawing out holes  
All through out our flawless souls.

So alone.  
Sometimes I swear that I can hear the taunting of the  
voiceless ones.  
I fear that I alone fear those who finally ceased to feel,  
That they're alone inside this place.  
I am the misplaced.

I hear them calling.  
I feel them gnawing out holes  
All through out our flawless souls

Now every face, it looks familiar...  
Then every face would melt away until...  
Now everyone, do you know, I know your deception?
