Why i can't we get along and baby  
Why girl i get murdered before you vut in  
Screaming and yelling on your opinion  
What happened to our feeling  
Girl you got me back up to the wall  
I don't wanna end it all  
Our .. please don't end it on me  
I still cry while you spoke your please  
When you told me you would gone believe me  
I could've been that easy

Chorus:

She say she wants to leave  
I don't want her to go  
So we go back and forward  
And this ...  
She say she wants to leave  
I don't want her to go  
So we go back and forward  
And this ...

And i'll be pullin and pullin  
And she keep pullin and pullin  
We can't go back to the middle  
And i keep pullin and pullin  
And she keep pullin and pullin  
And we keep pullin and pullin  
We can't go out of this ..

Can we call a truth to all this ..  
We can seem to get out story  
Got your love hurt lot as much as us  
Not being lovers  
We started all over again  
Girl you got me out the two or all  
I don't wanna end it all  
Girl please don't ignorant me

I was .. when you spoke your ..  
When you told me you would gonna leave me  
How can it be so easy

[Chorus:]

How do we end up like this  
The way we did the ..  
She used to be on my dream now  
I don't know who side
