[A.G.]

I take it back to rope chains if I wanna  
I go stand out in the rain if I wanna  
I get high on the plane, nigga die for my name  
Double platinum on the train if I wanna  
I come to the club strapped if I wanna  
I throw the trees to the flares if I wanna  
I even blow it in the air then leave with a rat  
Or grab the baddest bitch here if I wanna  
You don't believe me I already got her number  
She started actin cute so I had to shun her  
So I'ma leave with this chick, matter fact changed my  
mind  
Go back and get that bitch if I want her  
I take it off and get nude if I wanna  
Go skinnydippin in the pool if I wanna  
This lady knew me since younger said "Nigga got  
lumber?"  
I just tell that I want her if I want her

[Chorus]

("Nobody's fault but mine...")  
Now let me see you talk {"like this" - Slick Rick}  
Now let me see you walk  
Huh, let me see you party nigga, drink 'til you drop  
Let me see you bounce {"like this"}  
I said I walk how I wanna walk - do it  
I said I play how I wanna play - do it  
I said I talk how I wanna talk, say what I wanna say  
If that's how you feel then - do it

[A.G.]

("Nobody's fault but mine...")  
I double date by myself if I wanna  
Me and two chicks bitch hotter than the summer  
I'm a live nigga, like a bass player and a drummer  
I do a acapella album if I wanna  
I keep it gully, feed the hungry if I wanna  
I go hang out in other countries if I wanna  
I got a pocket full of money, and I'm lookin all bummy  
Who wouldn't want me if I want her

I can be, cold or cool if I wanna  
I can wear red or blue if I wanna  
I cop a truck - old or new - wait 'til you grow, well I grew  
I play the point in shoes if I wanna  
Now she's a whore make sure you lose her number  
These niggaz worse than bitches in the Hummer  
Now we can go the shook route or get the rooks out  
Or let my face wolf out if I wanna

[Chorus]

("Nobody's fault but mine, yeah - no...")
