[Intro: A.G.]

Straight dirty you heard, Diggin'

Team '81 you heard

We get dirty son

Straight dirty son

D-Flow: A.G. puffed the dutchy once

Party Arty: Dirty dirty

A.G.: Chicken's mad cause they fucked me once

Party Arty: Yeah they know niggaz holdin

[Verse 1: A.G.]

Besides she probably put a hole in the scrotum

Off in the lights to the Show that I'm flowin

Leadin to all type of drama unfoldin

Instead I blow smoke like locomotion

Thoughts leave ya brain overloadin

Talk about legends don't leave my name unspoken

It's Show
