Every time I go out I get no one!  
Oh oh oh oh oh!  
Seems impossible to find someone special!  
Oh oh oh oh oh!  
Chivalry has long been dead! Bring it back now!  
Oh oh oh oh oh!  
I won't settle for any man! Step your game up!  
Oh oh oh oh oh!  
Nights alone,  
I lie in bed needing some  
Body heat.  
My heated blanket does the trick.  
Loneliness:  
I have gotten used to it.  
Every time I go out I get no one!  
Oh oh oh oh oh!  
Seems impossible to find someone special!  
Oh oh oh oh oh!  
Chivalry has long been dead! Bring it back now!  
Oh oh oh oh oh!  
I won't settle for any man! Step your game up!  
Oh oh oh oh oh!  
Nights alone,  
I lie in bed just texting them,  
Testing them to see if they would treat me right.  
Break their hearts,  
Forgetting that I've been in love.  
Memories come up.  
The kisses and the love  
Aren't worth the craziness,  
The controlling, the lying,  
The fighting, and the cheating,  
And the abiding.  
Men are fun and dandy but I don't need a main  
squeeze  
No no!  
Memories come up.  
The kisses and the love  
Aren't worth the  
Nights alone,  
I hold my pillow tight like him

Wondering  
If anyone exists like him.  
He's long gone,  
And no one is to blame but me.  
Nights alone,  
I often dream of company.
