Oh, perfect darkness,  
Cover me tonight.  
Bury my tears  
Under the absence of light.  
The pain of this bitter world  
Is overwhelming me.  
The only feeling left inside  
Is pain and agony.  
So twisted out of breath,  
Haunted one too many times,  
Walk in a daze of you and I.  
I stumble and I fall.  
My crimson heart is bleeding red  
Striving to survive.  
My desperate heart is open  
And the only thing alive.  
Take away this pain  
Of a love in vain!  
Take away this lingering stinging  
Of a heart left slain!  
So twisted out of breath,  
Haunted one to many times,  
Walk in a daze of you and I.  
I stumble and I fall.  
Take away this pain  
Of a love in vain!  
Take away this hope  
That I'll feel love again!  
Perfect darkness!  
Perfect darkness!  
Perfect darkness,  
My perfect!  
So twisted out of breath,  
Haunted one too many times,  
Walk in a daze of you and I.  
I stumble and I fall!  
Take away this pain  
Of a love in vain!  
Take away this hope  
That i'll feel love again!
