#### CHORUS

I want you to want me

For all that I am

I hope that you will try to understand

Do you feel the same

Do you feel the same

I want you to want me

For all that I am

And I'll never leave you behind

I want you to be by my side

You're always on my mind

Baby am I the only

We've got to stop this game

Tell me do you feel the same

#### CHORUS

Now take a good look

What you see is for real

You know I've got nothing to hide

The way that I am is the way

that I feel for you now

Baby am I the only

We've got to stop this game

Tell me do you feel the same

CHORUS

Everybody knows that I need you

There ain't nothin' in the world

I wouldn't do

Please understand this is what I am

CHORUS (2X
