Let's go on a holiday

Let's go to Jamaica

Flying to Matigo Bay

Let's go to Jamaica

May be fine to hide away

Let's go to Jamaica

We can limbo on the sand

To the sealband

[Ref.:] Limbo You limbo I

Everybody gets a chance

Come on and move your body down

Do the limbo dance

Limbo You limbo I

Everybody gets a chance

Clap your hands, it's party time

Do the limbo dance

You will hear the limbo song

When you're in Jamaica

You'll be dancing all night long

When you're in Jamaika

You can party all along

When you're in Jamaica

We can limbo on the sand

To the sealband

[Ref.:] Limbo You limbo I

Everybody gets a chance

Come on and move your body down

Do the limbo dance

Limbo You limbo I

Everybody gets a chance

Clap your hands, it's party time

Do the limbo dance

Phantasies 've been all come true

Let's take in Jamaica

Golden sun will shine on you

Let's take in Jamaica

Sleeping on the skies of blue

Let's take in Jamaica

We can limbo on the sand

To a stealdrum band

[Ref.:] Limbo You limbo I

Everybody gets a chance

Come on and move your body down

Do the limbo dance

Limbo You limbo I

Everybody gets a chance

Clap your hands, it's party time

Do the limbo dance
