C

I'll tell you simply I'm fallin' for you;

Dm

I've never felt this way before.

I don't need flowers and I don't mind tears;

G C

I just need you through the years.

And I am your lover and you are my friend;

We've got laughter to share.

I'll always want you to want me;

I'll always want you to care.

Am Em

We can't be one, but two is fine with me;

Am Dm

You've got your time and I've got mine.

Am Em

I don't want you under my hand;

F G C

I just need you to understand.

C C

I'll tell you simply I'm fallin' for you;

I've never felt this way before.

I don't need flowers and I don't mind tears;

I just need you
