Watchu want Son

Watchu want hon

I think stupid at right yall  
Spit fool is a wise up  
Get a more damn presidential my butts  
Live life plus like I Won  
Basic change I think in up  
Like King Kof Joe got that bro(got that)  
House in Tajmahal I'll  
Celebrate cause got I whipped a pill  
Front yard prospect black sensual park with owes  
gonna bowl gonna thousand bucks  
Money long like a empire state outta Eiffel tower  
I like that kick plus my woman on Goddesses(beautiful)  
Venus statue so erotic move them anguish slam allotic  
You scared over there  
Ok I got this

Watchu want son  
This is my game  
This is my line  
Get outta of the way

Watchu want hon  
This aint my babe  
This is my King  
Get outta of my face

Watchu want huh  
This my space  
This is my Page  
Get outta of my age

Watchu want huh  
This is my stage  
This is gonna sting

Watchu want

In this world you gotta think big  
If not everything might be stringing  
Damn money may not evil like that size  
Madnem throwses don't tell lies  
I'm a star crack and it deploys  
Make gigan deals supersize  
Watch to roll my lose your eyes like Ellie driver from kill  
bill  
See I been had a license to I'll I'll  
But the real deal is that I'm still chill

I been who waited and pick the rides  
Saying next to the rest cause that aint hot  
Be scorched on this like it or not  
They come back all day round the clock  
Go ahead and front foot the charges  
See I noticed  
You aint focused  
Watchu want son  
This is my game  
This is my line  
Get outta of the way

Watchu want hon  
This aint my babe  
This is my King  
Get outta of my face

Watchu want huh  
This my space  
This is my Page  
Get outta of my age

Watchu want huh  
This is my stage  
This is gonna sting

Watchu want

Watchu want son
