"Let It Out"

I preach, my dear friends, you're about to receive on
John, barleycorn, nicotine, and the temptations of Eve.

(Spfpfpfpt!)

No parkin' by the sewer sign;

Hot dog, my razor broke;

Water drippin' up the spout,

But I don't care;

Let it all hang out.

Hangin' from a pine tree by my knees;

Sun shinin' through the shade;

Nobody knows what it's all about;

It's too much, man;

Let it all hang out.

Saw a man walkin' upside down;

My TV's on the blink;

Made Galileo look like a Boy Scout.

Sorry 'bout that.

Let it all hang out.

Sleep all day; drive all night;

Brain a might numb;

Can't stop now;

Sure ain't no doubt;

Keep a open mind.

Let it all hang out.

'S rainin' inside a big brown moon;

How does that mess your baby up, Lady?

Eatin' a Reuben sandwich with sauerkraut.

Don't stop now, Baby,

Let it all hang out.

Let it all hang out.

Let it all hang out.

Let it all hang out.
