Saw her standing there  
Tears upon her cheeks told me something was wrong  
I asked her what it was  
She looked away and said, "My daddy's home"

I knew what that meant  
It meant that I can never see you again  
I had seen this once before  
I didn't wanna deal with it anymore

"Look away", she said  
As she turned away from me  
And I tried to hold her  
Couldn't let her be  
Let her be, let her be

I said "Why,  
Why do you make me cry"  
She said, "I love you so  
Look away, I don't wanna know"  
I saw her standing there  
Tears upon her cheek told me something's wrong  
I said, "What baby"  
She looked away and said, "My daddy's home"

"Look away", she said  
As she turned away, my God  
I know I loved her couldn't let her be  
Let her be, let her be  
Look away  
Look away

She said, "I love you so  
Look away"
