Time, why you punish me?
Like a wave bashing into the shore
You are so in my dreams

Time, why you walk away?
Like a friend with somewhere to go
You left my crying

Can you teach me about tomorrow
And all the pain and sorrow
Running free
Cause tomorrow's just another day
And I don't believe in time

Time, I don't understand
Children killing in the street
Dying for the color of a rag
Time, hey there red and blue
Wash them in the ocean, make them clean,
Maybe their mothers won't cry tonight

Can you teach me about tomorrow
All the pain and sorrow
Running free
But tomorrow's just another day
And I don't believe in...

chorus:

Time is wasting
Time is walking
You ain't no friend of mine
I don't know where i'm goin'
I think I'm out of my mind
Thinking about time

And if I die tomorrow, yeah
Just lay me down in sleep

(chorus)

Time, you left me standing there
Like a tree growing all alone
The wind just stripped me bare, stripped me bare
Time, the past has come and gone
The future's far away
Now only lasts for one second, one second
Can you teach me about tomorrow
And all the pain and sorrow
Running free
'Cause tomorrow's just another day
And I don't believe in time

(chorus)

Time, why you punish me?
