Look out cutie Iâ€™m alright and on a roll
Lock your sons and daughters up cause here I go
Iâ€™ve been sleeping for a while and moving slow
Now my rest is over, honey watch me go

Feeling everything for the first time
Seeing ecstasy all around

If you wanna ride with me
Weâ€™ll go where weâ€™ve never been
Take a little time with me
With me, with me, with me

If you wanna ride with me
Weâ€™ll go where weâ€™ve never been
Come on take some time with me
With me, with me, with me

Easy baby its a ride no need to drive
Climb onbaord feet off the floor until its time
Iâ€™ve been needing some releasing from the old
I need feeling to be breathing and let go

Feeling everything for the first time
Seeing ecstasy all around

If you wanna ride with me
Weâ€™ll go where weâ€™ve never been
Take a little time with me
With me, with me, with me

If you wanna ride with me
Weâ€™ll go where weâ€™ve never been
Take a little time with me
With me, with me, with me
