Vs 1

There's nothing new here
I take you back there
You follow and I follow too
I'm feeling lonely
And you're looking lovely
No thought I'm really sticking too
How bout you....?
And now I'm back here
And you've not left yet
I think that I'll just follow you
You're feeling lonely
And I'm looking lovely
You know that we don't have a clue
Not a clue.....

Chorus

Sinking into this
Feeling forbidden bliss
Holding on too tight
I know I might, I know I might
Lose myself, here in this night

Vs 2

I watch you slowly
You look right back and
No time until we
Follow through
I try resist you
Those eyes can't miss them
Who's thinking now, not me
And not you...

Chorus

I can't do it though I,
I see through it
I just can't do it
No, no, no, no, no! X2

Chorus
