[Chorus: Mary J. Blige]

(You better be easy) You gotta take your time to get
what you want from me shorty
(Baby be easy) I'm a need a little more if your tryin to
run your game on me
(Oooh baby be easy) You better take what you could
get cause right now I'm all messed up shorty

(Take your time and fall back easy)

[Verse 2: Hot Rod]

Now I changed this hoe she was actin all bouji

Showed a little bit of swag she end up in the 'cuzzi
Little time passed she was givin the booty
First time I met her she was callin me mooley
Chill with me mama I'm a get the nana
Ask for that Prada you 'gon end up with nada
Creep me up in your teepee call me papa
Cause you know that D is supreme like Dada
I don't be up in the club doin the cha cha
Cute girl asked me if she cute I'm like uh uh
Now that's game now I hope y'all listen
Cause everybody say she was cute me I'm different
It ain't my fault that you's a lame
Nine six you was broke O Six is the same
And you mad cause I'm hot with a little bit of fame
And your chick sprung off me sort of like T-Pain

[Chorus: Mary J. Blige]

(You better be easy) You gotta take your time to get
what you want from me shorty
(Baby be easy) I'm a need a little more if your tryin to
