Your tears are the jewels
Decorating my heart
You capture my mind
Like the moon
Then broken we meet
You read my mind, I speak your words
Together we breath
Thoughts unspoken
Like frost on the pane

My Dance my Ligh my Heart
Blinded by my darkness
I stumble
Then shadows perforated
Bliss uncovered separated by
Arrows fire and flowers
May your eyes, your wondering eyes
Rest upon me

Come hold my hand
And lead me through
Spiral whispers and maddening sighs
Then fate unfolds
Clutching my heart, stealing my thoughts
Settles, repose
Painfull lessons
Like fire within

My Love my Hope my Heaven
Blinded by my darkness
I stumble
Then shadows perforated
Bliss uncovered separated by
Arrows fire and flowers
May your eyes, your wondering eyes

Rest upon me
