Sitting on the beach I think of you  
And I wonder why you make me feel the way you do

Sitting in the moonlight on the beach  
I try to understand how you can love me too

We belong together  
On the beach  
By the sea  
We belong together  
Holding hands  
You and me

Sitting on the beach I let go all of my fears  
Because you  
Because your near

Few people have the eyes to see  
What we have  
And what we have is free

We belong together  
On the beach  
By the sea  
We belong together  
Holding hands  
You and me

Repeat chorus

By the sea  
You and me  
Holding hands  
On the beach  
You and me  
By the sea
