Get the fuck away from me

I know that I could dive around in a sea of abyss and  
pull it out of remorse  
I know that I am on the step stones of the grave of the  
man that never loved  
I struggle to find myself this time  
Save yourself for a man with a conscience  
I try to find myself this time  
Save yourself for a man that isn't me

I spend my days looking through pages  
Trying to find a way to get away from me  
With love to give that leaves you Breathless  
Now all I need to find a way back inside my mind

I don't want to leave you breathless  
When will you realize  
I don't want to leave you breathless  
When will you realize  
I don't want to leave you breathless  
When will you save yourself

Yeah!

I spend my days looking through pages  
Trying to find a way to get away from me

With love to give that leaves you Breathless  
Now all I need to find a way back inside my mind

I need to find  
A way back inside my mind(x2)

This is not the end  
This is the end of  
This is not the end(x3)

RUH!

Ooh! Have you mistaken me this is not about us  
everyday

Yet still I carry on when everything we have is lost  
You're better off to walk alone  
I am corruption  
I am sin

Forget my name  
Forget my face  
Forget my name  
Forget my face
