We're back again, you know we're not fucking around  
Got a bottle of Jack in our hands, you tryna keep up  
kid?

Let's see who hits the ground

We've drank the drinks, we've done the drugs, clearly  
we don't remember

We've come so far, we've shown them all, without us  
you'd fall and fade away

They say it all breaks down to keeping your feet on the  
ground

My sole intention is keeping my head in the clouds

They say that I can't last a day in the real world

I say you wouldn't survive one night in mine

Notorious and shit I wouldn't change it for the world

I'm infamous but damn you can't help by love this shit

I'm everything we need make this scene what it should  
have been

Remember platinum albums, sold out stadiums, leave  
it to me

Let's tell the truth, not to be rude but we're all irrelevant

This music's dead with a bullet in it's head

Let's wake it up

It's so insane, I'm so insane

Going insane, I'm so insane

Leave it to me from here
