Just a whisper
Of the radio
Singing all the sad songs
I used to know
Almost persuading
Just hit too close to home

Faded love
Your cheating hun
I guess I had to go play the part
A fool who knew he loved you
And then broke your heart

[CHORUS]

Wish I could take you in my arms
Tell you I was wrong
Take back the things I've done to prove where I belong
Wish I could, make you understand
I missed that wedding band (?not sure?)
I come home tomorrow, wish I could

Just a whisper
Of the radio
Singing all the sad songs
I used to know
Almost persuading
Just hit too close to home

[CHORUS x2]

Wish I could
Wish I could
Wish I could
