(Kill kill kill)
Dahh-dum, dahh-dum... dum
Dahh-dum, dahh-dum, duh-da-da-da-da
(Kill kill kill)
Dahh-dum, dahh-dum... dum
Dahh-dum, dahh-dum, dumm...
(Kill kill kill)

[Chorus: Eminem]

Mentally I'll from Amityville (HE'LL)
Accidentally kill your family still
Thinkin he won't? God-damnit he will (HE'SSSS)
Mentally I'll from Amityville
[(HE'SSSS) - on repeats only]

[Eminem]
I get lifted and spin til I'm half-twisted
Feet planted and stand with a grin full of chapped
lipstick (SMACK)
Pen full of ink, think sinful and rap sick shit
Shrink pencil me in for my last visit
Drink gin til my chin's full of splashed whiskers
(whoosh)
Hash whiskey and ash til I slap bitches (smack)
Ask Bizzy, he's been here the past six years
Mash with me you'll get in imagine this

[Chorus 2X]

[Angelus of Nex (A.O.N.)]
Ya'll all get stupider
Everytime I get musical
I'll have your fuckin' plug pulled
And rob you at your own funeral
I'm lyrical, I'm a fuckin miracle
Ya'll all are fearfull
If words could kill, I'd give you a fuckin earful
I'm mental, grab a piece of paper and a pencil
And write some shit that makes even Satan say that it's
sinful
I write some crazy shit

And half of it makes no sense
But who gives a shit?
Now it's Marshall's turn to spit

[Chorus 2X]

[Eminem]

That's why the city is filled with a bunch of fucking
idiots still (still)
That's why the first motherfucker poppin some shit he
gets killed (killed)
That's why we don't call it Detroit, we call it Amityville
(Ville)
You can get capped after just having a cavity filled
(filled)
Ahahahaha, that's why we're crowned the murder
capital still (still)
This ain't Detroit, this is motherfucking Hamburger Hill!
(Hill!)
We don't do drivebys, we park in front of houses and
shoot
And when the police come we fucking shoot it out with
them too!
That's the mentality here (here) that's the reality here
(here)
Did I just hear somebody say they wanna challenge me
here? (huh?)
While I'm holding a pistol with this many calibres here?
(here?)
Got some registration and just made this shit valid this
year? (year?)
Cause once I snap I can't be held accountable for my
actions
And that's when accidents happen,
When a thousand bullets come at your house
And collapse the foundation around and they found
you
And your family in it (AH!)
GOT DAMNIT HE MEANT IT WHEN HE TELLS YOU

[Chorus 2X]

[Angelus of Nex (A.O.N.)]

They say I'm un-Christian, Satanly, and unhinged,
Just because I cuss and kill on every track I spin
But fuck that shit, of course I believe in God
I know what I stand for, so I'm not gonna stop
What I'm doin because I know that that shit just ain't
right
That they think that they can tell me what I can and
can't write

On this paper, normally I just write some crazy shit
With some rhymes and words that'll make a misfit slit
his wrists
Keep my name outcha mouth, you don't know what
you're talkin about
I'll do what the fuck I wanna do, so fuck you bitch, I'm
out
