{Chorus [x2]}

There comes a time in everyone's life you wanna give
up
You feel like you have nothing to live for, and wonder
why life sucks
But you can't give up on life, you gotta keep pullin
through
Cause then one day you'll reach the promise land, I
promise you

(Verse 1)

Let me paint this picture for you
There's this teen named Jimmy
And Jimmy used to have a real good friend name
Timmy
But one day Jimmy walked in on Timmy
And Jimmy's girl Cindy
While she was on lyin on her back screamin "Timmy
ram it in me!"
Well, it's safe to say their friendship ended that fatefull
day
Along with their three lives that Jimmy decided to take
away
Cause Jimmy was sad, so sad, that his girl had been
had
By his own best friend, his brother just from another
dad
And it's just too bad that Jimmy had to end his life like
this
But he's sittin dead in his room with the proof sketched
on his wrists
Found by his sis, along with his best friend and his ex
All three dead because of sex, and a whole bunch of
stress
And it's just a mess, that people can overreact like this
But it happens everyday, which is why I wrote this
To persuade you not to take the same path that he did
Cause there's always gon be drama, no matter who's
life it is

{Chorus [x2]}

(Verse 2)

Here's another scene, this kid is just thirteen
His name is Jeremy, soon to be deceased
Follow me, if you please, and I'll make it where you can
see
All the pain and agony, that caused his livin to cease
See he, just wanted to be, just like his dad
Till one day his dad, killed his mom, and then packed
his bags
And left him alone, with nothing but a pen and a pad
To write his note, the final note that he'll ever have
And it's just too bad that people can overreact like this
But it happens everyday, which is why I wrote this
To persuade you not to take the same path that he did
Cause there's always gon be drama, no matter who's
life it is

{Chorus [x2]}

[{Breakdown [x2]}]

Don't give up, no
Don't give up, no
Don't give up, no
Don't give up, no
