"Fighting Under The Influence (F.U.I.)" by Angelus of
Nex (A.O.N.)

[Chorus]

Sippin on this hennesie
Sippin on this hennesie
Sippin on this hennesie
Sip-sippin on this hennesie
Sippin on this hennesie
Waitin for the time of break
Sippin on this hennesie
Can't get my life straight

{Verse 1}

Sippin on this hennesie sittin up in my room
Ain't got much time left but I'll tell you what I'm on do
I'm on go outside and bust up a few punk ass heads
That are attached to fools who look alive but they gon
wind up dead
I'ma mess em up so bad they don't know what's comin
for em
Cause my fists be movin so fast that they'll work up a
storm
I'ma break some necks, bust some heads, give em
concussions
They muf*ckin blood won't be spillin it'll be gushin
They wanna talk shit bout behind my f*ckin back
I wanna see em talk that sh*t lookin down my f*ckin gat
I'm on destroy they asses, but they all are used to it
Cause that's all I be doin is fightin unda the influence

[Chorus]

{Verse 2}

B*tch you don't wanna f*ck with me
You just don't wanna see me
When I'm pissed off and let it spray
Yon't wanna be up in the way
Cause when I start swingin

With every punch that I'm leanin
In, your ass betta get out my face
Your ass betta be leavin
Cause I'm bout to hit beast mode
I'll f*ckin grab you by the throat
If you ask to be let go
I'll choke harder and say hell no
Cause I don't give up
I don't back down
I'll put your punk ass in the ground
I'll stomp and kick and beat your ass
Til your heart no longer pounds
You'll wish you never met me
Killin you it won't upset me
Keep this up and you will see
I'll make your f*ckin livin cease
I'll f*ck your punk ass up real good
I'll break your back with a block of wood
I run my game just like I should
Fightin unda the influence

[Chorus]

{Verse 3}

5-4-3-2-1 b*tch you ain't got much time left
Til I kill your ass and put you in the f*ckin ground to
rest
With your last words you better say your motherf*ckin
prayers
Cause you done messed with A.O.N. the f*ckin drunk
punkass slayer
This hennesie just gives me the most needed reason to
be
The deadliest mc that was ever spawned from the
devil's seed
With a f*cked up brain, I feel no pain
I dig until I hit a vein
And when I'm through with you I'll turn to your friend
and do the same
You don't wanna mess with me b*tch, you done made a
mistake
So now you better be runnin tryin to make your escape
I won't back off you b*tch cause I'm f*ckin relentless
If you ever step to me you better bring a f*ckin witness

[Chorus]

{Outro}

Some people think that I write these raps

In an attempt to try to be black
But I'm just tryin to express myself
If you think different you can go to hell
I don't do this stuff cause I wanna be hood
I'm just doin this stuff to try to be good
I don't wanna be black, this is true
I really just wanna say, "F*CK YOU DREW!!!"
