{Chorus [x2]}

Clap one, clap two, then snap it out  
Grind heavy, push steady, gon work it out  
(Hey! ) Getcha pocket swoll on  
(Hey! ) Getcha pocket swoll on

(Verse 1) - Hustler

Look at the hustle from a different angle  
I wear my block, magic, like I'm Criss Angel  
I rap for funds dude, I don't rap for fun  
Got my corner on lock, mouthpiece, beater guns  
J- side homie, I'm a rap game hustler  
Watch em come up, call the block my customers  
Real life, real talk, long as I stay breathin  
Long as my cake re-up, I'ma stay eatin  
Ayy! I know you know about it bro  
Work it how it go, that's the only way I roll  
That grass in my yard, same color as my dough  
And these kicks on my feet, same color as snow  
Yep! I gotta mind of a go getter  
So cold with it, call me Old Man Winter  
Ayy! Flow kinda feel like water  
Tell em what it do, that mean yo boy go harder

{Chorus [x2]}

(Verse 2) - Angelus of Nex (A.O.N.)

Getcha pocket swoll on, get it goin strong  
Runnin it all day long, from dusk till dawn  
Yeah my pocket's real fat, you can't handle that  
So heavy that it hurts my back, carryin these paper stacks  
Hail from the dirty south, no grill up in my mouth  
You say that all you spit is fire? Bitch I'll stomp it out  
Bitch I gotta lotta swag, put it on every track  
You say you don't like my shit?  
Bitch whatever you can kiss my ass  
Sound like I got terrets, I'm always in a mess  
Losin everyone of my friends cause I'm winnin all these

bets

Bitch they call me money man, I get that paper in my  
hand

I spread my game across the land, like a can of deviled  
ham

I'm doin this to get a deal, and get them paper bills

And put it in my jeans until all of my pocket's filled

So go and get your shine on, so go and get your roll on

But when you listen to this song, get your pocket swoll  
on

{Chorus [Repeat til end]}
