

A.O.N. "Kill Yo Ass"

Visit "[Kill Yo Ass](#)" on MotoLyrics.com

{Chorus [x2]}

Hate on me and I'm gonna kill yo fuckin ass
Hate on me and I'm gonna kill yo fuckin ass
Hate on me and I'm gonna kill yo fuckin ass
Kill yo fuckin ass, kill yo fuckin ass

(Verse 1)

I can't describe how motherfuckin angry that I get
When people get up on here and tell me they ain't feel
my shit
Well, fuck em, I hope they duckin, cause I'ma bring
some ruckus
They don't know who they done fucked with, best
believe I ain't no punk bitch
I'ma whip they ass so fast, school is in session, come to
class
I'ma show you how to whip ass, cause I do that shit in
mass
Uncomplicated, unlike math, you don't need no fuckin
graphs
Just a fuckin baseball bat to give they skull a fuckin
crack
The old me is gone, I strangled him with a rope
I bet you can tell the difference in all the nex songs I
wrote
I'll slit yo fuckin throat, so deep that that shit'll never
heal
You get knocked the fuck out, like Evander Holyfield

{Chorus [x2]}

(Verse 2)

Shh! You better be quiet, you might piss someone off
Fuck that shit! I'ma shoot some clips off
And get Lost, just like that motherfucker J-John Locke
Scotty come and beam me up cause I'm ready for lift
off
Gone on that Smirnoff, smokin weed until I cough
Dress like David Hasslehoff, and rip Pam Anderson's

tits off

On Baywatch, drown a lifeguard, and then take yo
clothes off

I'll act like I got a foot fetish, and suck yo toes off

Time to change it up, and change my damn rhyme
scheme

I'm the fuckin rawest lyricist that you have ever seen

There are few as fresh as me, most are scared to
death of me

You'll never get the best of me, if you try, you will rest
in piece

{Chorus [x2]}

{{Breakdown}}

Uh-oh! It's time to break down, ladies get that ass
bouncin

Follow me to V.I.P. and get that ass pounded

Uh-oh! Ladies, it's time to get that ass bouncin

Follow me to V.I.P. and get that ass pounded

[(Outro)]

This has been another A.O.N. song

Ha! Fuck you! I will motherfuckin kill you if you talk shit
about me
