{Chorus [x2]}

I cuss a fuckin lot, no excuse for it
I've killed so many people, that I'm used to it
I drive some people crazy with the words that I spit
Ha! What more can I say? I'm just a lunatic

(Verse 1)

I'm crazy, insanely,
Makin these words make your mind hazy
Can't save me, I say these things cause this demon
inside me makes me
Cause it hides inside me, but lately it has been let out
It will kill you with no doubt, so you need to watch the
fuck out
Cause it'll kill you, no hesitation
No trials and no tribulations
Just sound of your bodies breakin
And screams of the lives that I'm takin
You're on the kill list I'm makin
There's no need for line breakin
You won't have to wait in line, you don't need no
reservation
Ah shit! The demon has been let out
Ah shit! You better watch the fuck out
Cause it's comin straight for you
And that's why the fuck that I warn you
Cause it's comin at you fast, to kill your fuckin ass

{Chorus [x2]}

(Verse 2)

Stop! Fuck! The demon is takin over!
You better get the fuck away, and duck and find some
cover
Ahh shit! It's too late! A.O.N. is gone, and it's just me
that remains
I'll corrupt your fuckin brains
And drain the blood from your veins
I take so many lives everytime I fuckin change

NOOO!

I'm back! It's A.O.N. the fuckin crazy psychopath
If you think your fuckin safe
Well I've got news for your ass
Just cause he was worse doesn't mean that I'm not bad
I kill in fuckin mass, and you're never gonna stop me
I'm puttin an end to all the lives of those who have
mocked me

{Chorus [x2]}
