[Verse 1]

I've been crying
I've been lying
To my friends that I'm not dying
I'm just pining over you
Cause I just don't know what to do
I cannot think I can not breathe
I can only think of you
There's no happy I can just be
Unhappy cause I lost you
I will give what all I have
To just be with you and not sad
It hurts bad
Takes all I have
To just get up out of my bed
Like I've said
So many times
You're all that runs through my mind
There's no way that I will be fine
Until you are once again mine

{Chorus}

Another year has gone
You have been gone so long
Where did we go wrong?
Why did I write this song?
Where did we go wrong?
Why did I write this song?
Another year has gone
You've been gone so long

[Verse 2]

If I could write a verse that would bring you back to me
today
I would spray it, no hesitation, pause, or anything
When it rains, the drops are nothing to all the tears I
drain
Fears in my brain, cause me to slice my wrist to the
nearest vein

The purest thing I've ever seen is the love I feel for you
Feeling blue cause I'm further away than I'm near to
you
There are two things that I wan't and one of the two is
you
Number two is for your love for me to be forever true

{Chorus}

[Verse 3]

Sleepless nights
Tearfull eyes
Ever since you left my life
I could die
I just cry
Tears are running down this mic
Sleepless nights
Tearfull eyes
Ever since you left my life
I could die
I just cry
Tears are running down this mic
Sleepless nights
Tearfull eyes
I could die
I just cry
Ever since you left my life
