{Chorus}

I will not break, I will not fall
I will stand strong, I will stand tall
Never give up, neva-neva back down
I will not bend, I will not budge
I will not drop, I will not crush
Never give up, neva-neva back down
Never give up, neva-neva back down

(Verse 1)

You don't know what in the world I've been through
I don't know what the hell I'm gon do
But I'm not gonna give up, I'm not gonna back down
Till one day when I'm in Heaven, I'm up
Lookin down, on you clowns, I'm rainin down
Tearin these walls down, till there's nothin around me,
Wrapped around me, keepin me bound, not gonna
frown,
Flip it around, and I'm gon drown, my sorrows
Until they're no longer anywhere to be found
Not a sound, I'm silent, sometimes I'm a little bit violent
Perfect timin, I'm here, my head has never been this
clear
Have no fear, I'm around, never puttin my head down
Point it up, Heaven bound, cause I'm never backin
down

{Chorus}

(Verse 2)

I'm racin, I'm pacin, every obstacle I will face it
Cause I'm ready and able, and I'm willing
And I'm capable, to break through the barriers
And the strength comes from my maker,
My savior, there's no one greater,
He fuels me to make me braver,
He forgives my misbehavior,
And continues to make me greater
You can look high and low, but there's no one like me

out there anywhere
I don't give up, and no matter what happens, no I won't
give up
And I don't care how big you are, know that I will still
knuckle up
Buckle up, cause this car is goin off of the road
Man, toughen up, be sure that white towel is not thrown
Man, straighten up, you never know who might be
comin around
Man, don't give up, and no matter what you do, don't
back down

{Chorus}
